THIS AGREEMENT

Made in Duplicate

1. Seller agrees to sell and deliver and Purchaser agrees to accept and pay for the varieties of seeds in the amounts, at the prices set forth in attached pages and subject to the terms and conditions herein provided.

2. Seller agrees to plant, or cause to be planted, during season of 1949 an acreage of land which will produce under normal conditions, an amount of seed of the varieties herein named which, together with such varieties of seeds previously grown by, or for, the seller and now on hand, will be sufficient to enable the Seller to deliver the quantities of the seeds herein contracted for; and the Seller agrees to deliver as soon as possible after harvest, such seeds in good merchantable condition, as herein defined, F. O. B. growing station, containers extra at cost, and NOT RETURNABLE. The term "in good merchantable condition" is defined as seeds properly cleaned for seeding purposes, approximately free from foreign seeds distinguishable by their appearance and of a germination equal to the fair average germination of the crop of the current year.

3. In case of partial or total failure of any or all crops planted, or caused to be planted by the Seller for the purpose of producing the varieties of seeds herein named, or, in case of damage to, or destruction of the Seller's seed stocks before planting, or to the products of such plantings, or to any seed through fire, accident or other casualty beyond Seller's control, the Seller shall be obliged to deliver, if at all, proportional quantities only, and, in any event, the Seller shall have the right to reserve an amount of seed equal to that used in said planting.

4. Purchaser shall make payment for seeds delivered, by a trade acceptance due and payable net 60 days from date of shipment, or by cash within 30 days from date of shipment, less a discount of 1½%. If, at any time, the financial condition of the purchaser becomes unsatisfactory to the seller, or due to the circumstances of war, strike, or any other extraordinary hazard, the purchaser agrees, upon receipt of written notice to that effect, and upon demand of the seller, to pay for the seeds in advance of shipment, less a cash discount of 1½%, and if such payment is not made within thirty (30) days from the receipt of such demand for payment, this agreement shall thereupon be deemed to be breached by the purchaser.

5. **DISCLAIMER**—We give no warranty, express or implied, as to the productiveness of any seeds or bulbs we sell and we will not be in any way responsible for the crop. Our liability in all instances is limited to the purchase price of the seed.

6. Purchaser's claims for shortage of deliveries must be made to seller immediately on receipt of shipment and all germination tests must be made and reported in writing (including telegram) by Purchaser to Seller within 30 days after receipt of shipment.

IN WITNESS WHEREOF, the parties have hereunto set
their hands on the day and year first above written.
